INTRODUCTORY COMMENTS

In response to the Notification of Missing Requirements dated 17 March 2006, please amend the above-referenced application as follows:

REMARKS

Oath/Declaration

Applicant submits the required oath/declaration for the inventors of the above referenced application.

Fee Payments

The Examiner stated that the Applicant was required to pay extra fees for claims not previously paid for. Applicant believes the correct amount of fees has been paid and believes no fee directed towards the claims is necessary. It appears the discrepancy comes between the number of claims of the Australian PCT application originally filed and the number of claims of the U.S. national stage application currently being prosecuted. The current application contains 35 claims, none of which are multiple dependant claims. Claims 1-3 are independent, 4-16 are dependent, claim 17 is independent, claims 18-26 are dependent, and claims 29-35 are dependent. Therefore, the present application contains six independent claims and 29 dependent claims. A copy of the previous fee worksheet and check are included in Appendix A.

Applicant has included a check in the amount of \$40.00 to cover the assignment recordation. Applicant believes the fees directed toward the claims have been rectified. Applicant believes all missing parts have been fulfilled. If there are any questions regarding the above fees, Applicant requests that the Examiner contact the undersigned.

Respectfully Submitted,

By

WARNING: Credit card information should **not** be included on this form as it may become public.

- ☐ Charge any additional fees required by this paper or credit any overpayment in the
manner authorized above.

A duplicate of this paper is attached.

AUTHORIZATION TO CHARGE ADDITIONAL FEES**IX.**

WARNING: Accurately count claims, especially multiple dependant claims, to avoid unexpected high charges
if extra claims are authorized.

NOTE: "A written request may be submitted in an application that is an authorization to treat any concurrent
or future reply, requiring a petition for an extension of time under this paragraph for its timely submission,
as incorporating a petition for extension of time for the appropriate length of time. An authorization to
charge all required fees, fees under § 1.17, or all required extension of time fees will be treated as
a constructive petition for an extension of time in any concurrent or future reply requiring a petition
for an extension of time under this paragraph for its timely submission. Submission of the fee set forth
in § 1.17(a) will also be treated as a constructive petition for an extension of time in any concurrent
reply requiring a petition for an extension of time under this paragraph for its timely submission." 37
C.F.R. § 1.136(a)(3).

NOTE: "Amounts of twenty-five dollars or less will not be returned unless specifically requested within a
reasonable time, nor will the payer be notified of such amounts; amounts over twenty-five dollars may
be returned by check or, if requested, by credit to a deposit account." 37 C.F.R. § 1.26(a).

NOTE: The previous practice of holding applications abandoned if an authorization to charge fees under 37
C.F.R. § 1.16 has been provided instead of an authorization to charge fees under 37 C.F.R. § 1.492
has been changed. The Office amended 37 C.F.R. § 1.25(b), effective November 7, 2000, so that an
authorization to charge fees under 37 C.F.R. § 1.16 in an international application entering the national
stage under 35 U.S.C. § 371 is now accepted by the Office as an authorization to charge fees under
37 C.F.R. § 1.492.

☒ Please charge, in the manner authorized above, the following additional fees that may be required by this paper and during the entire pendency of this application:

☒ 37 C.F.R. §§ 1.492(a)(2), 1.492(a)(3), or 1.492(a)(5) (filing fees)

☐ 37 C.F.R. § 1.492(b) (presentation of extra claims)

NOTE: Because additional fees for excess or multiple dependent claims not paid on filing, or on later presentation, must only be paid, or these claims cancelled by amendment prior to the expiration of the time period set for response by the PTO in any notice of fee deficiency (37 C.F.R. § 1.16(d)), it might be best not to authorize the PTO to charge additional claim fees, except possibly when dealing with amendments after final action.

☒ 37 C.F.R. § 1.17 (application processing fees)

☐ 37 C.F.R. § 1.17(a)(1)–(5) (extension fees pursuant to § 1.136(a)).

WARNING: While 37 C.F.R. § 1.17(a), (b), (c) and (d) deal with extensions of time under § 1.136(a), this authorization should be made only with the knowledge that: "Submission of the appropriate extension fee under 37 C.F.R. § 1.136(a) is to no avail unless a request or petition for extension is filed." (Emphasis added). Notice of November 5, 1985 (1060 O.G. 27).

☐ 37 C.F.R. § 1.18 (issue fee at or before mailing of Notice of Allowance, pursuant to 37 C.F.R. § 1.311(b)).

NOTE: Section 1.311(b) provides that an authorization to charge the issue fee (§ 1.18) to a deposit account may be filed in an individual application only after the mailing of the notice of allowance. Accordingly, general authorizations to pay fees and specific authorizations to pay the issue fee that are filed prior to the mailing of a notice of allowance will generally not be treated as requesting payment of the issue fee and will not be given effect to act as a reply to the notice of allowance. Applicant, when paying the issue fee, should submit a new authorization to charge fees, such as by completing box 6b on the current PTOL-85B form. Where no reply to the notice of allowance is received, the application will stand abandoned notwithstanding the presence of general authorizations to pay fees or a specific authorization to pay the issue fee that were submitted prior to mailing of the notice of allowance. Where an attempt is made to pay the issue fee but an incorrect amount is submitted, § 1.311(b)(1), or where the Office's issue fee transmittal form (currently PTOL-85(B)) is completed by applicant and submitted, § 1.311(b)(2), in reply to a notice of allowance, an exception will be made. Such submissions will operate as a request to charge the issue fee to any deposit account identified in a previously filed (i.e., submitted prior to the mailing of the notice of allowance) authorization to charge fees, and will be allowed to act as payment of the correct issue fee. § 1.311(b). See also the change to § 1.26(b). Notice of September 8, 2000, Fed. Reg. 54603-54683, at 54646 and 54647.

NOTE: 37 C.F.R. § 1.28(b) requires "Notification of any change in loss of entitlement to small entity status must be filed in the application . . . prior to paying, or at the time of paying . . . issue fee." From the wording of 37 C.F.R. § 1.28(b): (a) notification of change of status must be made even if the fee is paid as "other than a small entity" and (b) no notification is required if the change is to another small entity.

☒ 37 C.F.R. § 1.492(e) and (f) (surcharge fees for filing the declaration and/or an English translation of an international application later than 20 months from the earliest claimed priority date)

WARNING: It is suggested that you always check this last authorization.
